

Happy Thanksgiving!

On behalf of the Board, we wish you and your family a safe and joyful Thanksgiving season.

We are excited to share a few improvements happening in the community.

- Playground: A new seesaw will be installed this month to enhance the playground area.
- Tree Trimming: The landscaping crew will continue trimming trees throughout the entrances to maintain safety and curb appeal.

We appreciate your patience as these projects are completed.

- The pools closed for the season on October 15th, however the pool decks remain open for sun bathing and relaxation.
- Trash service day is now on Fridays. Please ensure all trash cans are stored out of sight after pickup to help keep the neighborhood neat and tidy.
- The ad-hoc safety committee is scheduled to meet this month to explore further solutions to the traffic, parking and safety conditions on Wheatfield. The BOD continues to engage with the school board and has received confirmation that the school superintendent has been notified of the ongoing issues.

- The HOA is actively seeking volunteers to reorganize the Activity Committee. If you enjoy planning events, bringing neighbors together, or sharing creative ideas for activities, we would love to have you. Volunteering is a great way to get involved and make a positive impact in our community. If you are interest please email mistyp@waccamawmanagement.com.
